## EXPERIENCE

### 2019 CO-FOUNDER / WEBMASTER

As a Freelance Web Developer and Tyre Installer at Monteina, I improve technical skills, teamwork, and customer service in a dynamic setting.

### 2022 PYTHON DEVELOPER INTERNSHIP

Engaged in a program with Serbian University to gain proficiency in PyTeal and smart contract development on the Algorand blockchain.

### 2023 GRAPHIC DESIGN INTERNSHIP

Graphic Design Internship  
During my VTDK internship, I created a captivating persona for FK-Panevėžys Football Team using Figma to showcase my artistic and design skills.

### 2024 D-PBL LEAD DEVELOPER INTERNSHIP

Creating user-friendly railway accessibility website through front-end web development with Portuguese, Greeks, and Germans.

### 2024 DATABASE-DRIVEN WEB APPLICATION DEVELOPMENT INTERNSHIP

Developed and deployed responsive web applications using Oracle APEX

### 2024 FULL-STACK DEVELOPER

Responsible for working on various development projects that encompass both front-end and back-end technologies.

## OBJECTIVE

To enhance skills in Front-End, Back-End, and UI/UX Development roles.

## MEMBERSHIP IN ORGANISATIONS

Charity "Maisto bankas"

Position: Assistant

I understood what teamwork meant and was able to help people who had certain disabilities.

Panevezys Football Academy

Position: Player

I've been playing football for probably 15 years until now, but I've had a big responsibility at my club, I've had to clean up the environment with the whole team, I've played a couple of matches with orphans for a charity. I'm also now pursuing this as a hobby in Vilnius at VJFK Trakai

Lithuanian Union of Schoolchildren

Position: Participant

I don't know how much it counts, but my friends and I took part and contributed to the distribution of the CS:GO tournament.
